# Bluejay Colophon

The 2006 Bluejay, volume 78 was printed by Taylor Publishing Company in Dallas, Texas. The book was created using Adobe InDesign CS2 and Photoshop CS2. The theme of the book, which was changed multiple times, ended up being Every Shade of Blue. It was chosen to represent the diverse opportunities that are experienced throughout our time at Creighton — and at the same time showing school spirit. The small, yet dedicated staff that made this edition possible were: Mary Ann Cook and Ryan McDonough, co-editors-in-chief; Caressa McCurnin, design editor; Elise Milek and Shannon Zitting, section editors; Lindy Bohlmann, image editor. The editors would like to thank our supreme advising staff: Joel Davies, the overseer; and Andy Hughes, our technical advisor & Sir Tux Ford I, the gummi bear. The yearbook staff and advisers would like to thank Judi Augustine, the budget queen. A special thanks to our Taylor reps Pierre and Linda Bernard for helping us throughout the year with any questions or problems we could come up with. We would also like to thank all of the clubs and organizations that submitted photos to be included in the yearbook. And finally we would like to acknowledge anyone who does not appreciate his or her ID card photo — well, we did warn you.
